

## HAPPY CHOCOLATE VALENTINE'S DAY

It used to be frowns but now broad SMILES  
It's great to know that these smiles would forever be on  
our faces and

As bright as the sun is

So bright would our smiles ever be

We children in Kwabena Akwa, Pasoro, Anansu and

Wurubegu in Ghana are happy

Happy and joyous than ever before

Chocolate now tastes sweeter on our tongues

Chocolate reminds us no more of painful toil in cocoa  
farms

It rather brings to memory the love of a caring friend;

ACE-Japan and their partner friends in Japan

Valentine day is a moment to say a resounding thank you

A moment to appreciate the good thought of all Japanese  
friends to children in Ghana
